

Instructions and Guidelines Gold Plus and Gold Level Exhibitors

Graphics Review Due: August 7, 2017
Artwork Due: August 11, 2017

This document includes information relating to the Gold Plus and Gold level exhibit packages. Contact your exhibit manager, Ellen Stangroom, e.stangroom@sap.com or 508.461.7683, with any questions.

Components

This exhibit package has been designed as a turnkey solution. Your booth will be set up when you arrive. The components of the package include: a 10'x20' booth, graphic panels (instructions below), non-secure storage, carpet, electrical, Internet, a 40" monitor, four chairs and a table, two lead scanners, lighting, and cleaning. Details are located in the [Exhibit Packages document](#).

Exhibitors should plan to use the booth components, as provided, and are asked not to bring in their own furniture or exhibit furnishings.

Move-In

Your booth will be ready for you to move-in at **3:00 p.m., Monday, September 25**. Plan to have at least one of your staff members arrive on Monday to test equipment, pick up your scanners, and unpack any shipments.

Graphic Panel Instructions

The printing and installation of seven graphic panels are included.

Specifications – refer to page 3 for the detailed specs your graphic designer will need to prepare the artwork.

Instructions and Guidelines: Gold Plus and Gold Level Exhibitors

Monitor

A 40" flat screen display monitor will be mounted to the right side of your booth as shown in the rendering. An HDMI cable is included. Should you require another type of cable, please bring it with you or let Ellen know in advance. An additional charge may apply.

- An additional monitor may be ordered from FMP, the official AV supplier, using their [standard order form](#).
- If you order additional monitors or supply your own, they **may not** be mounted to your booth.
- A laptop is not included.

Carpet

The entire show floor will be carpeted in gray and is included with your exhibit package. If you would like to order a different color carpet or padding, please use this [carpet and padding order form](#).

Content

Exhibitor shall not market, advertise, promote, or distribute any products or services that are non-complementary to any SAP software products or related services. SAP reserves the right, at any time, to review the display materials, demos, company descriptions, marketing sponsorship messaging, collateral assets, and presentations of all exhibitors to address any sensitive and/or non-complementary issues. SAP may remove any exhibit, which, in their opinion, may detract from the general character of the conference as a whole, or consists of products or services that are non-complementary or otherwise inconsistent with the purpose of the conference.

Aisles and Common Areas

- The aisles, passageways, and overhead spaces remain strictly under the control of SAP. This includes all conference function space, the show floor, and other Venetian|Palazzo Congress Center property. No signs, decorations, banners, advertising matter or special exhibits will be permitted in these areas. Signs and lighting grids may not extend, or cover, any part of the aisle or neighboring exhibits.
- Each exhibitor is responsible for keeping the aisles near its exhibit space free from congestion caused by demonstrations and other promotional activities. Sufficient space must be provided within the booth for the comfort and safety of attendees watching demonstrations and other promotional activities. All marketing activities, including the use of talent personnel, must be conducted within the exhibit space.

Hanging Signs

Hanging signs and suspended lighting grids are not permitted.

Sight Lines

- Exhibit fixtures, components and identification signs are permitted to a maximum height of 8 feet. Any signage or booth component exceeding 8 feet will be removed or adjusted at the exhibitor's expense.
- The maximum height of 8 feet is allowed only in the rear half (5 feet) of the booth space, with a 4-foot height restriction imposed on all materials in the remaining space, forward to the aisle. This 4-foot height restriction is applied only to the portion of exhibit space which is within 10 feet of an adjoining booth.
