With Full HD1080p support, ultra-fast 1ms (gray-to-gray) response time and rich connectivity including dual HDMI and D-sub inputs, the ASUS VN series VN247H-P monitor is the power house of jaw-dropping presentation.

Spectacular Full HD

Enter a big and spectacular world of colors with Full HD 1080p (1920 x 1080) support. Feel the rich details and realistic presentation.

1ms
Trace Free

1ms Response Time

An Ultra-fast 1ms gray-to-gray response time and trace free technology deliver realistic moving visuals and a blur-free multimedia experience.

Smart Contrast Ratio for Lifelike Visuals

With 80,000,000:1 ASUS Smart Contrast Ratio (ASCR) and 250cd/m² brightness, the VN247H enhances display contrast and sharpness by adjusting backlight luminance to achieve the deepest black tones and brightest whites, resulting in extra-clear visuals that truly come to life.

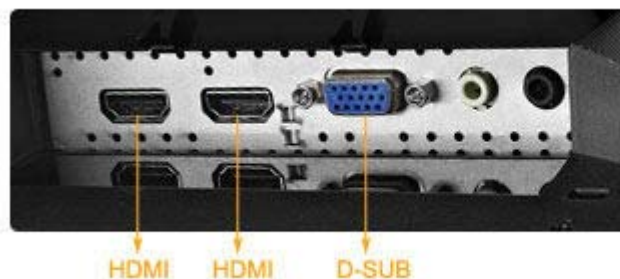

Aspect Control

Aspect Control Function

With Aspect Control function, you can select a preferred display mode among Full and 4:3 for true-to-life gaming or movie watching without any data loss or image distortion.

Extensive Connectivity and Built-In Stereo Speaker for Multimedia Enjoyment

VN247H comes with rich connectivity including Dual HDMI and D-sub so that users could easily connect it to Full HD Blu-ray Disc players and myriad HD playback devices. Enjoy limitless entertainment and multimedia enjoyment with the built-in stereo speakers.
